NOTE 1.—This blank will be used for both enlistment and re-enlistment—enlistment of volunteers, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment binds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The recruiting officer, commissary, or assistant commissary of musters, as the case may be, will counter-sign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

ARMY OF THE UNITED STATES.

CERTIFICATE OF DISABILITY FOR DISCHARGE.

(To be used, in duplicate, in all cases of discharge on account of disability.)

Robinson *Patrick Golden*, "Private" of Captain *William M.*
Robinson & Company, [A], of the *Twenty-sixth* Regiment of (United States)
Mo Vol Infantry, was enlisted by *Capt John Holman* (now 1st Col of
the *25th* Regiment of *Mo Vol Infantry*, at *St Louis Mo.*
on the *ninth (9th)* day of *October*, 1861, to serve *Three (3)* years; he was born
in *Cavan Co* in the *County* *Ireland*, is *Forty (40)*
years of age, *Five (5)* feet *nine (9)* inches high, *Light* complexion, *Grey* eyes,

Dark hair, and by occupation when enlisted a *Stone Cutter*. During the last two
months said soldier has been unfit for duty. (Here consult directions on Form 12, p. 200, Mol. Dept. Gen. Reg.)

*He is almost blind. He is in my opinion, at least fifty years of age although
he is only forty. He is worn out and in every way totally unfit for a
soldier's duty. He has been in the army nearly all the time since he joined the company.
I think he could live out his term perhaps; but I know he is and will be
a needless expense to the Government.*

STATION: *Camp near Jacinto*

DATE: *August 30th 1862*

William M Robinson
Capt 25th Mo Vol Infantry
Commanding Company A.

I CERTIFY, that I have carefully examined the said *Private Patrick Golden* of
Captain *William M Robinson* Company, and find him incapable of performing the duties of a soldier
because of (Here consult par 1134, p. 245, and directions on Form 12, p. 200, Mol. Dept. Gen. Reg.)

*opacity of right cornea & poor sight of the left eye.
There are symptoms of slight tubercular development in lungs.
Health is very poor, condition generally worn down from old age.
No case for pension.*

NOTE 1.—This blank will be used for both enlistments and re-enlistments—collection of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (and the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.
NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The recruiting officer, commissary, or assistant commissary of musters, in the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-roll must, in all cases, precede payment of pay, bounty, pension, &c. A muster-roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The recruiting officer, commissary, or assistant commissary of muster, as the case may be, will counter-sign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

Surgons certificate of disability of John Hackney
a recruit for 26th Regt. Mo. Vol. Inf.

This is to certify, that I have carefully
examined John Hackney a recruit for 26th
Regt Mo. Vol. Inf. and find him unfit for
military service by reason of General disability.
During his stay at this Depot he contracted
measles and now he is suffering of Tuberculosis
pulmonum. He is of a very tender constitution
and utterly unfit to stand exposure.

The causes which render him unable to perform
military duties existed before his enlistment,
and, with proper care and examination, they
might have been discovered.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting returns of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will counter-sign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

I CERTIFY, ON HONOR, That I have carefully examined the above-named Volunteer, agreeably to the General Regulations of the Army, and that, in my opinion, he is free from all bodily defects and mental infirmity, which would in any way disqualify him from performing the duties of a soldier.

I CERTIFY, ON HONOR, That I have minutely inspected the Volunteer, Jahmek Nasby previously to his enlistment, and that he was entirely sober when enlisted; that, to the best of my judgment and belief, he is of lawful age; and that, in accepting him as duly qualified to perform the duties of an able-bodied soldier, I have strictly observed the Regulations which govern the recruiting service. Union Franklin Co. Mo.

August 11th 1865

To the Honorable S. M. Stanton

Secretary of War, Washington, D.C.

Your petitioner Thomas
J. Hall, a citizen of Franklin County and
the State of Missouri, begs leave to respect-
fully represent and state; that his son
William J. Hall, in the year 1861 enlisted
as a private of Company "E" Twenty-sixth
regiment Missouri Volunteer Infantry; that
he so served in the said regiment, partici-
pating in all of its engagements until some
time in June 1863 when he was captured
near the picket line in the rear of Vicksburg
Mississippi during the siege of that place;
that upon his being captured, he was taken
to a Military prison in Louisiana, where
he was held as a prisoner of war for a
short time when he was paroled, and
returned home to Franklin County; that
his parole was taken away from him by a
Sergeant belonging to some regiment in the army
soon after his return, and that he failed
to report for duty afterwards, not knowing
as to his being exchanged under the terms
of his parole, and implicitly believing that
under the terms of his parole he was held.

in good faith to respect it until so ex-
changed; that sometime in the month of
December A. D. 1864, he was arrested in the
City of St. Louis, Missouri, and was after-
wards tried by Court Martial, con-
victed of deception and sentenced to a
confinement in the Military ^{or penitentiary} Prison, at
Jefferson City, in the said State of Mis-
souri, for a term of Two years, and that
from the date of his arrest up to this time
he has been in confinement some nine months.

That your petitioner is a man advanced in
years and that his son William is his only
child and that he greatly needs his services
in the carrying on of the farm belonging
to your petitioner, for the maintenance
of the family; that his son is twenty eight
years of age, and always bore himself well
as a soldier while with his regiment, to
substantiate which reference is hereby
made to the statements made herewith
by officers ^{there} belonging to the said regiment
now residing in this vicinity. Your
petitioner therefore prays that his son
may be pardoned and released from con-
finement, and your petitioner will ever
pray &c

Thomas J. Hall

I enlisted William O' Halley mentioned in the foregoing petition and can cheerfully state that during the time he was under my command in the 26th Missouri (five months or more) he always conducted himself as a good and faithful soldier. I can state further that he was under my command at the time he was captured and I attribute his negligence in reporting to his command, more to his ignorance concerning his duties, than to any criminal intent.

U. W. Mancini Major 47th Mo.

We the undersigned, citizens of Prairie Township, Franklin County Missouri, from our acquaintance with William O' Halley having been neighbors and acquaintances of his for twelve years, can bear testimony as to his good character before he entered the United States service, and we respectfully ask that he may be released from confinement and restored to his family and home. We can further state that we have knowledge of the fact, that his services are indispensably necessary for the maintenance of his aged parents.

Sir

I have returned to
at Louis with my commands
and wish to join you if
feasible. I have three
companies and the fourth
company filling up. I was
appointed Maj. by Fremont
but Genl Curtis thinks I am
not Captain. It is rather hard
to be reduced in rank in such
a way but shall wait patiently
the result. Whatever I may be
if I get my 4th company full before
they disturb me I shall have
the thing fixed. Genl Curtis was
unfriendly to me on my return from
Springfield thinking me one of

Fremont's Joviality. but he found
out his mistake and is now
friendly to me at present. He
offered to give me transportation
to go to you at one time, but finally
requested me to wait. I think a
line from you would induce
him to give me orders *à la* carte.
I have a splendid command
one company armed with Sharp
rifles. one with *Endfield* Rifles.
have not yet drawn arms for
the 3^d company. The objection
to my appointment from Fremont
was that two companies were not
entitled to a Field Officer.
Please let me hear from you
soon.

Yours Respectfully

Sir

In pursuance to General Order No 14
I herewith enclose a copy of the Muster Roll
of Company A & B Independent Companies of
Sharp Shooters. Comp B. was mustered into
the service of the U. S. by Major John H.
Holman at Springfield Mo on the 31st
day of Oct 1861 in pursuance to an order
from Col C. H. Eaton A. A. A. Genl.

On the 6th of October Capt John H. Holman of
Comp A. was promoted to Major & Comp
anies A. & B were constituted Major
Holman's Battalion of Sharp Shooters.
The order for mustering Company B. also
the appointment of Major Holman are
in the hands of the commanding General.
I herewith enclose the order of the promotion
and the appointments of the remaining
Officers of the Battalion

I beg leave to report to the commanding
Genl. that Brig' Genl. Curtis has refused to
recognise this Battalion for the reason
assigned that two Companies are not
entitled to a field Officer and that the
promotions & appointments of Maj' Genl.
Thermon were not warranted by law.

I further beg leave to state that in
pursuant to instructions from Genl. Curtis
I am at present reporting myself as
senior Capt commanding this so called
Battalion. As the state of my organization
& appointment were laid before the Comd'g
Genl soon after his taking command of
this Department I did not consider it
advisable to call his further attention to the
subject. believing that in due time he
would make such disposition of the
case as would be beneficial to the
Public Service.

Colonel A. Readings,

A. A. Genl.

Sir:-

I hereby tender my resignation,
to take effect on the 31st day of January, 1863.

I am offering my resignation at the present time
I desire to assure the Commanding Genl.; that I
do so for the sole purpose of preserving the
Regiment, if such a thing is possible.

A portion of the officers of the Regiment have
manifested opposition to me; and I evidently
have incurred the displeasure of Col. Brown.

The officers have refused to have laid a long
paper, containing charges against me, before my
superiors; to which paper I have had the honor to
reply in writing; and I have requested an examination.
This I still earnestly desire; but as my superiors

think such an examination cannot be had
under existing circumstances, & am willing to
waive it for the benefit of the service.

I am not indebted to the Government.

I have no public property in my possession.

I was last paid by Maj. Pope, to
include the 31st day of August, 1862, and have
pay due from that date.

I am, sir, very respectfully,
Your obedient servant,

NOTE 1.—This blank will be used for both enlistment and re-enlistment—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment binds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The recruiting officer, commissary, or assistant commissary of musters, as the case may be, will counter-sign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the departing officer.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, in the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

FINAL STATEMENT

OR

VOLUNTEERS.

Died Aug 2 1862

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c. due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificate; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificate.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowance that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are audited by the 3d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Money paid by private authority, and not by the United States, will not be entered on the statement.

NOTE 6.—Amounts due by the Government must be entered on the muster roll on which the discharge is reported, &c., is reported, as well as on the final statement. Any amount cannot be collected from the United States.

NOTE 7.—This blank will be used for detached volunteers and drafted men, as well as for others.

NOTE 8.—When a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

ADJUTANT GENERAL'S OFFICE.
